- 4 The Company had granted moratorium upto six months on the payment of installments falling due between March 01, 2020 and August 31, 2020 to all eligible borrowers based on the Board approved moratorium policy read with the Reserve Bank of India (RBI) guidelines dated March 27, 2020 and May 23, 2020 relating to 'COVID-19 - Regulatory Package' and RBI guidelines on EMI moratorium dated April 17, 2020. Further, period for which moratorium was granted had not been considered for computing days past due (DPD) as on December 31, 2020. Extension of such moratorium benefit to borrowers as per the COVID-19 Regulatory package of the RBI and DPD freeze for such period by itself is not considered to result in significant increase in credit risk as per Ind AS 109 for staging of accounts. The Company continued to recognise interest income during the moratorium period and in the absence of other credit risk indicators, the granting of a moratorium period does not result in accounts becoming past due and automatically triggering Stage 2 or Stage 3 classification criteria.

The COVID -19 pandemic has significantly affected various sectors of Indian economy. The prolonged lockdown imposed by the government due to Covid-19 pandemic has affected the Company's business operations. The Company has considered an additional Expected Credit Loss (ECL) provision on Loans of Rs. 224.82 crores and Rs. 1,597.62 crores on account of COVID - 19 during the quarter and nine months ended December 31, 2020 respectively. As at December 31, 2020, additional ECL provision on Loan Assets as management overlay on account of COVID - 19 stood at Rs. 2,507.26 crores. However, the actual impact may vary due to prevailing uncertainty caused by the pandemic. The Company's management is continuously monitoring the situation and the economic factors affecting the operations of the Company.
- 5 Hon'ble Supreme Court, in a public interest litigation (Gajendra Sharma vs. Union of India & Anr). vide an interim order dated September 3, 2020, has directed that accounts which were not declared NPA till August 31, 2020 shall not be declared as NPA till further orders. While the resolution plans have been invoked, the implementation is expected to be carried out within the timeframe permitted by RBI's guidelines. The staging of accounts and provisioning for the eligible accounts where the resolution plans are invoked and implemented is in accordance with the Board Approved Policy in this regard. The eligible borrowers where the resolution plans have been invoked but not yet implemented, are classified in accordance with the Company's existing provisioning policy and the allowance for expected credit loss is made accordingly.
- 7 During the quarter, the Company has credited an ex-gratia amount of Rs. 231.28 crores for the payment of difference between the compound interest and simple interest to the accounts of borrowers in specified loan accounts between March 1, 2020 and August 31, 2020 as per the eligibility criteria and other features as mentioned in the notification dated October 23, 2020 issued by Government of India, Ministry of Finance, Department of Financial Services.
